

Every Booth at Paris Photo 2015, Part 5 of 5

By [Loring Knoblach](https://collectordaily.com/author/loring-knoblach/) / In [Art Fairs](https://collectordaily.com/category/art-fairs/) / November 16, 2015

While it is certainly possible to jump into the middle of our Paris Photo 2015 summary reports and find your way to your favorite galleries, starting at the beginning and working through the booths systematically may make the most sense. Part 1 of our report can be found [here](https://collectordaily.com/every-booth-at-paris-photo-2015-part-1-of-5/) (<https://collectordaily.com/every-booth-at-paris-photo-2015-part-1-of-5/>), and along with one group of booth reports (the center section), it includes some general background on the fair (pre-attacks) and the outline of the slideshow format. Part 2 (middle left) can be found [here](https://collectordaily.com/every-booth-at-paris-photo-2015-part-2-of-5/), (<https://collectordaily.com/every-booth-at-paris-photo-2015-part-2-of-5/>) Part 3 (middle right) can be found [here](https://collectordaily.com/every-booth-at-paris-photo-2015-part-3-of-5/), (<https://collectordaily.com/every-booth-at-paris-photo-2015-part-3-of-5/>) and Part 4 (far left) can be found [here](https://collectordaily.com/every-booth-at-paris-photo-2015-part-4-of-5/) (<https://collectordaily.com/every-booth-at-paris-photo-2015-part-4-of-5/>).

This Part 5 of the report covers the section to the far right of the central section, as seen from the main entrance.

ArteF ([here \(http://www.artef.com/\)](http://www.artef.com/)): Xanti Schawinsky's 1944 photomontage turns a female face into a swirling weather map, with fronts and pressure systems moving in competing directions. It's like a map of resistance in the context of war. Priced at €28000.
